February 16, 2022, Meeting Minutes – Chair Abel made a motion to approve, Commissioner Borden seconded the motion, and the meeting minutes were accepted as written.

V. ITEM FOR DISCUSSION

1. Historical Designation Incentives – Chair Abel discussed the BOCC accepted for Monroe County and will share with the commission the final approved. There was discussion of creating guidelines associated with renovations to historic designated homes and looking into creating permit cost breaks as incentives.
2. Porthole – Commissioner Borden stated the shipment was never received and there is a need to look at other porthole options. A newer style could provide a cost break.

3. Update on the Hurricane Monument Storyboard – Commissioner Borden and Commissioner Cabrera went to the stone vendor and found the perfect stone (Commissioner Borden to send pictures) - waiting on the cost and to see if they have another one same size, etc. Will provide update as soon as possible. There was discussion related to possibly unveiling the finished mounted storyboards at the Labor Day celebration. If it is ready, the Village will prepare a press release to include the unveiling and education on the Historical Preservation Commission projects.
